O R D E R

On June 9, 1997, the Commission entered its Order in this case approving the application of McCreary County Water District ("McCreary Water") wherein it proposed to construct a major sanitary sewer system project and increase its rates. On June 17, 1997, McCreary Water filed a Motion to Amend Order wherein it stated that the rates in Appendix A to the Commission's Order contained an error. Through inadvertence, the Order stated that the American Bag Corporation would continue to be charged the same rate as the customers in the existing East Pine Knot system.

IT IS THEREFORE ORDERED, to be entered nunc pro tunc, that the Order entered June 9, 1997 is amended to substitute the corrected Appendix A.
